

# CHÂTEAU BRUN LABRIE

BORDEAUX AOP 2015

## HISTORY

This château has belonged to Jean-Marie Estève's family for 3 generations. "Brun" is the place name where the estate is located and "Labrie" designates a particular plot. Jean-Marie Estève is one of the leading figures at the Lugon Cooperative, where he has been cellarmaster for the past 30 years.

## WEATHER CONDITIONS

2015 is an outstanding vintage in terms of both quality and quantity. In fact, all conditions necessary for a great red wine vintage on Bordeaux were perfectly aligned. The winter was relatively rigorous, bud break only began in mid-april. After a warm, dry and sunny May, flowering took place during the first days of June. July 2015 was hot and dry, water stress arrived at the right time and mid véraison (colour change) was observed early august. Dry and warm weather in August and September involved a full ripening of the various grape varieties. A fine weather during the harvest made it possible to pick at optimum ripeness. The red wines are delicious. They possess the charm and inimitable grace of great Bordeaux.

## BLENDING AND AGEING

Following consultation with our oenologist, Edouard MASSIE, Chateau Brun Labrie was blended in function of plot origins to achieve a balanced wine. The wine was aged in stainless steel vats, we added French oak chips during 4 months.
