organic
agriculture methods

**SURFACE OF
THE VINEYARD**
17.19 hectares

HISTORY

Château Cazau Martet has belonged to Labadie family for 4 generations. Today Celine and Frederic Labadie manage the estate in an organic way. The name cazau-martet is a mix between Martet, name where the estate is located and cazau which comes from a latin origin word casalem meaning a big and rich house until the 12th century.

WEATHER CONDITIONS

After the exceptional vintage 2015, 2016 is unquestionably remarkable in Bordeaux, combining quality, quantity, and a very classic style. This high quality depends on relatively quick flowering and fruit-set during weather that is sufficiently warm and dry. And, the month of dry July slowed down and put a definitive stop to vine growth no later than the beginning of véraison. Thanks to dry and warm weather in the months of August and September provided full ripening of the various grape varieties. Then, a sunny mid-September and month of October virtually without any rain completed ripening and made for a leisurely harvest. Because of all this well climatic conditions, the grapes had an amazing color, also they were aromatic with a nice acidity. The 2016 red wines give every indication of being outstanding. They have an amazing colour. They are also fruity, without any herbaceousness, and combine the tannic power of great vintages with a deliciously velvety texture.

BLENDING AND AGEING

Following consultation with our oenologist, Chateau Cazau Martet was blended in function of plot origins to achieve a balanced wine. The wine was aged in stainless steel vats, we added French oak chips during 4 months.

TASTING NOTES

A gorgeous wine with spices, berries. Full body, soft and silky. A very well balanced wine.
