

CHÂTEAU VIEUX BLASSAN

BORDEAUX AOP 2015

HISTORY

This estate has belonged to TREVILLE's family for 7 generations. Situated in Lugon, close to Fronsac terroir, Jean Eric TREVILLE manages the vines. His father registered the chateau name in 1970. The cave de LUGON has managed the winemaking for many years.

WEATHER CONDITIONS

2015 is an outstanding vintage in terms of both quality and quantity. In fact, all conditions necessary for a great red wine vintage on Bordeaux were perfectly aligned. The winter was relatively rigorous, bud break only began in mid-april. After a warm, dry and sunny May, flowering took place during the first days of June. July 2015 was hot and dry, water stress arrived at the right time and mid véraison (colour change) was observed early august. Dry and warm weather in August and September involved a full ripening of the various grape varieties. A fine weather during the harvest made it possible to pick at optimum ripeness. The red wines are delicious. They possess the charm and inimitable grace of great Bordeaux.

BLENDING AND AGEING

Following consultation with our oenologist, Edouard MASSIE, Chateau Vieux Blassan was blended in function of plot origins to achieve a balanced wine. The wine was aged in stainless steel vats during 6 months.

TASTING NOTES

Juicy and round in feel, with a core of fleshy plum and blackberry fruit. Full body with well-integrated tannins and a long finish.
