

L'UNIQUE DE LUGON

BORDEAUX - BORDEAUX SUPÉRIEUR - FRONSAC - BORDEAUX ROSÉ

SOIL CHARACTERISTICS
Clayey, sandy and chalky.

GRAPE VARIETY
Majority of Merlot.

L'UNIQUE BORDEAUX

TASTING COMMENTS : Beautiful strong red color. Grilled nutty notes.
Fruity wine drinkable now.

TO BE SERVE WITH : This summer, perfect as an aperitif or to drink around a barbecue.

L'UNIQUE BORDEAUX SUPERIEUR

TASTING COMMENTS : Lovely strong red with purplish glints.
After swirling the wine in the glass, delicate fruity notes unfold.

TO BE SERVE WITH :
Drinkable now, it will be a perfect match with fresh or ripened goat cheese.

L'UNIQUE FRONSAC

TASTING COMMENTS :

Its outstanding intense garnet does make an impression. Grilled, fruity and spicy flavours. Enticing and explosive nose. Powerful with forward tannins.

Mouth-filling, rounded and fleshy with a long finish on delicate timbered notes.

TO BE SERVE WITH : This full-bodied wine will be excellent with game or grilled joint.
To be kept a few more years to taste it at its best.

L'UNIQUE BORDEAUX ROSÉ

TASTING COMMENTS : Its outstanding raspberry colour is an invitation. Feisty and crisp wine. Fresh and flowery nose, very aromatic, lip-smaking and luscious. Lively and fresh to the palate with pronounced red fruit flavours. Long and lingering finish. A real treat and a good pick for the summer.

TO BE SERVE WITH : Too much to choose from to go with this wine... barbecue, pizza, mixed salad, fresh cheese. To be served around 8-9° that's to say a few minutes after taking it out of the fridge.
